

21-22 September 2023 | Delft, The Netherlands

## Fall Workshop

### European Working Group on Behavioural OR (EWG BOR)

Behavioural OR —The way forward

Dear Colleague,

We are happy to announce the forthcoming **Fall Workshop of the European Working Group on Behavioural OR (EWG BOR)** that will take place in **Delft, The Netherlands, 21-22 September 2023**. The workshop aims at bringing together researchers, students and practitioners to engage in discussions about ongoing recent research, the current state of the field, and future directions of the emerging BOR community. The programme will be comprised of keynote talks from experts, methodological and practical sessions, short presentations by participants, and interactive discussions.

Central to the BOR agenda is the understanding of how human behaviour affects, or is affected by, OR-supported activity, and the use of this understanding to improve OR practice and education. Against this backdrop, we cordially invite contributions that explore behavioural issues in relation to OR, especially those that examine behaviour in OR-supported settings.

Your contribution will be a short presentation delivered as a lightning talk based on conceptual or empirical work that is either complete or still ongoing. Additionally, we provide all participants the option to present a poster. For further information, please see “Guidelines for Authors” in the section below.

It is possible to attend without submitting a talk or a poster contribution.

**\*\*\*\*\* Important Dates \*\*\*\*\***

Abstract submission	<b><u>11.06.2023</u> <u>25.06.2023</u></b>
Notification of acceptance	<b><u>18.06.2023</u> <u>26.06.2023</u></b>
Deadline registration & payment	<b>25.06.2023</b>

Please note, once we receive the payment, a participation is confirmed.

**\*\*\*\*\* Fees \*\*\*\*\***

(The fees include general costs, materials, lunch & coffee breaks, and Dutch borrel reception on the first evening; they do not include accommodation costs nor breakfast and dinner)

Regular participant fee	<b>€150</b>
Reduced student/post-doc fee	<b>€100</b>

The participant fees are to be paid in full at the time of registration to bank account NL08 ABNA 0542 8918 59. Make sure to mention "M74-M74106-[YOUR LASTNAME]" as the payment reference.

**\*\*\*\*\* Registration \*\*\*\*\***

The event is hosted by the Policy Analysis section of the Department of Multi-Actor Systems, Faculty of Technology, Policy and Management, TU Delft.

To register, send an e-mail to [Secr-BA-TBM@tudelft.nl](mailto:Secr-BA-TBM@tudelft.nl) with cc: to [l.scholten@tudelft.nl](mailto:l.scholten@tudelft.nl), including the following information:

1. Full name, affiliation, contact details and billing address (for payment receipt)
2. Whether you would like to contribute a lightning talk or a poster, incl. respective information as mentioned under "Guidelines for Authors"
3. Proof of payment

Please do let us know should you have special dietary requirements or any other special needs.

**\*\*\*\*\* Guidelines for Authors \*\*\*\*\***

To submit your contribution, please submit a short title and abstract (350 words max) including author names and affiliations. Accepted abstracts entitle the author(s) to deliver one lightning talk, subject to availability of speaker spots. If there are more submissions than spots for speakers, allocation will be at a first-come, first-serve basis. If you wish to submit a poster, please provide the authors, affiliations, title of the poster and 3 keywords, . Posters will be scheduled during the separate poster presentation slots.

The official language of the workshop is English.

**\*\*\*\*\* Accommodation and Transport \*\*\*\*\***

Delft and surroundings are a popular destination in September. Reserving early via your preferred channels is highly encouraged. A list of accommodation recommendations is provided below.

Accommodation name	Typical price single room (EUR/night)
<a href="#">New Hampshire</a>	130-170
<a href="#">Casa Julia</a>	75-110
<a href="#">Hotel De Koophandel</a>	100-150
